Library Catalog^[2]

The library catalog gives you the ability to view all physical items located in the library. This includes books, movies, CD's, DVD's, Blu-ray Discs, Playaways, and more. In addition to viewing items available at your library you have access to 50+ libraries within our co-op. Most items can be placed on hold and you will receive a call or email when your item is ready to be picked up.

MeLCat ^[7]  **Mel Resource** ^[8] 

MeLCat is a supplemental catalog that can be used to request items from other libraries when it cannot be found in the library catalog. Because shipping times are longer with this service it is highly recommended that you check the library catalog before proceeding to MeLCat.
