Our Friends are fantastic volunteers! Please check below if you have any interest in the following volunteer opportunities:

The Gardens: Individual gardeners are given space on the grounds to plan and maintain the beautiful array of flowers, plants and decorations that make our Library truly unique!

The Book Room: Volunteers spend 1 – 4 hours per week pricing, stocking and arranging books on the shelves.

The Book Sales: The Friends typically host two mini-book sales and one gigantic book sale throughout the year. We need volunteers to help set up signs and arrange the books on tables (2 – 4 hours) and more volunteers to take down the books that don't sell, pack them up and bring the materials to our storage areas (2 – 4 hours). Our large summer sale also requires cashier help (about 2 hours).

Bakers on Call: The Library sometimes serves light refreshments at its programs or has bake sale fundraisers, and these contributions often come from volunteers. We are compiling a list of bakers to email or call from time to time who would be willing to whip up a batch of cookies or pick up an extra package of lemonade mix at the grocery store to make these refreshments possible.

Other: If you have any special skills or professional knowledge that you would like to share, we'd love to hear about it!

THANK YOU for your GENEROSITY and FRIENDSHIP!
