Getting Started: Choose Your Language

Your Rocket Languages Reception Area

Hello Garrett

Welcome back to your Rocket Languages Reception Area. Just click the course you desire below to get started!

Rocket Arabic

[Click here to access your Rocket Arabic Course materials. Navigate your way through the ancient and crumbling city of Cairo, making small talk with the locals about the price of a shish kebab, and the never ending heat. Who knows, you may find yourself with an invitation to dinner...](#)

Learning Lounge

Once you have selected a language you will be directed to the learning lounge for that language.

In the learning lounge you will be presented with a navigation bar to the left hand side of the page.

Your Course

Your Course

- * **Your course** is the main learning area within Rocket Languages. Here conversations are broken down into topics (ex: Travel, All About Food, etc.)
- * The final section contains Software you can download to your computer for quizzes and activities.
- * An overview of your progress can be viewed from the Your Course page.

Your Course

Your Course

- * Once you have selected a section (ex: Travel), learning material is broken down into Interactive Audio Courses and Language and Culture.
- * **Interactive Audio Courses** provide full audio conversations, sentences you can practice, quizzes, extra vocabulary and personal notes.
- * **Culture and Language Courses** provide some background to the countries culture, additional quizzes and personal notes.
- * Any of the courses can be printed, saved to .pdf or marked as completed.

Your Motivation

Your Motivation

- * **Your Motivation** provides information on learning techniques you can use to learn a new language.
- * You, also, have access to Rocket Rehearsal Self Tests – where you can customize a quiz on some or all of the course topics.

Your Community

Your Community

- * **Your Community** allows you to interact with Rocket language teachers, native speakers and other Rocket Language Learners.
- * A great way to practice your selected language- it's like having a bunch of digital pen pals that can help you with your learning experience.

My Vocab / My Notes

 My Vocab

 My Notes

- * My Vocab and My Notes is a completely customizable to you.
 - * **My Vocab** lets you add words from your course material that you can refer to later.
 - * **My Notes** quickly links you to notes you've made within the course material.

Latest News / Feedback

Latest News

Feedback

- * **Latest news** provides updates from Rocket Language on any new features, updates and other news.
- * **Feedback** allows you to send a comment to Rocket Language.
